PARTYING

Our backroom is available for hire for your party. Small enough to get a good party going swiftly, but bigger than you think, it comes fully decked out with glitter ball, optional projection, laser lights, smoke, a great sound system and decks. We design parties to be very easy - all you have you do is turn up and have a nice time!

Minimum numbers apply depending on night of the week. Saturday bookings run from 3pm - 9pm, after that we always have a DJ and open the room to the public for dancing. Party guests are welcome to stay on and often do!
